

Attention: All IDSS Users

From: Product Management

Please be advised that Altus Group will continue to support and offer training to existing IDSS customers as per our client license and support agreement.

Moving forward, Altus will no longer be offering IDSS as a stand-alone software product.

IDSS will continue to be offered as part of our integrated capital planning service, its functionality will be incorporated into future releases of Total Capital Planning Solution (TCPS) and MDW (Municipal Data Works) software.
